Southern grace and charm will make this holiday tour very memorable. Festive and fun — you'll have a wide variety of great activities.

Your **beachfront** hotel in **Myrtle Beach** affords you wonderful views of the **Atlantic Ocean** and the sounds of the surf. **Charleston SC** is a city filled with **water and bridges** and steeped history. We'll be joined by a local guide that will relate all the charm of the south and the shame of the years of slavery. You'll all have the opportunity to purchase one of the only true products of the Carolinas — the sweet grass basket — made by the local women and sold along the roads.

In **Savannah** you'll experience the historic district aboard a **horse-drawn carriage** clip clopping through the cobblestone streets. You'll enjoy lunch at **Paula Deen's restaurant "Lady & Sons"**. A visit to **Magnolia Plantation** offers you **beautiful gardens** and more history. Traveling northbound, we stop in Nashville for the **Rockettes Christmas Show** at the **Grand Ole Opry**. On our final night together, you'll enjoy a delicious **farewell dinner** and a drive through the lights of the **Peoria "Festival of Lights"**.

A complete brochure will be available mid-October.
